# SWOT & Needs Assessment

## *The SWOT analysis*

The purpose of the SWOT analysis is to present an analysis of the current situation in Denmark. The SWOT analysis has been prepared by a team of external consultants and consists of three reports, each of which cover one of the three broad goals of the future CAP and the connected specific objectives.

The Agricultural Agency informs, that it is likely the SWOT analysis will need updating.

Date of publication: 1 March 2019
