

Programming the CAP Strategic Plan: Key resources

Information collected by SHERPA partners

February 2021

General information

Division of responsibilities

- The Swedish Government decides on the content of the Strategic Plan.
- The Swedish Board of Agriculture (*Jordbruksverket*), Sweden's expert authority in the areas of agriculture, fishery and rural areas, has the responsibility to carry out tasks commissioned by the Government and contribute with evaluations and analysis as well as make proposals concerning support and compensation payments in the Strategic Plan. This work is carried out in collaboration with other authorities, interest organisations and businesses.

Timeline for programming the CAP

Key steps in 2020 and beyond

- May 2020: publication of SWOT analysis to support the CAP Strategic Plan.
- November 2020: collection of inputs on the proposals for the CAP Strategic Plan made by the Swedish Board of Agriculture.
- December 2020: the Swedish Board of Agriculture handed over their proposal concerning support and compensation payments in the Strategic Plan to the Government Office. The focus is on competitive and sustainable food production in the whole country.
- December 2021: submission of the Swedish Strategic Plan to the EU Commission.
- 2022: the EU Commission will evaluate the Swedish proposal, and negotiations will be held between Sweden and the EU Commission. In parallel, in 2022 the national frameworks for agricultural policy are decided on. The Strategic Plan shall be accepted by the EU Commission before the end of 2022, and it will take effect in 2023.

Jordbrukspolitiken från 2023

[Skriv ut](#)

Vårt sjunde år reformeras jordbrukspolitiken (CAP). Den nya kommer att starta 2023. Nu pågår ett omfattande arbete in nationellt i Sverige och på Jordbruksverket för att förbereda i nya perioden. Här kan du läsa om arbetet och vad vi vet om perioden just nu.

Reformarbetet på EU-nivå

EU-kommissionen har lagt fram lagförslag om nästa period av den gemensamma jordbrukspolitiken. Förslagen fokuserar på hur vi bättre kan hantera aktuella och fr utmaningar som klimatförändringar och generationsskiften och samtidigt fortsätta

SWOT & Needs Assessment

The CAP strategic plan will be founded on the SWOT analysis. Based on the SWOT, Sweden has carried out a needs assessment describing which needs shall be met with the new agricultural policy.

Title of report: "Preconditions for a common agricultural policy 2021–2027 SWOT analysis" (*Förutsättningar för den gemensamma jordbrukspolitiken 2021–2027: SWOT-analys*)

Date of publication: 7 May 2020
